

# Welcome to the Skin Care Club!

Funny thing about skin...time, the environment, stress and diet can all influence what your skin looks like and what it needs. BeautiControl offers a unique advantage...the M.R.P. Advantage!

M = Maintenance products for the skin you can see on the surface. BeautiControl offers customized skin care systems to meet the daily needs of your skin.

R = Repair products for the skin you can not see! Many of us can not see the damage done to our skin over the years...yet! But it is just lurking there waiting to surface!

P = Prevention products to help protect your skin from further damage!

With the BeautiControl skin care club it's easy to get the M.R.P. Advantage and have the skin you have always wanted!

Remember...a few minutes today can make all the difference in how your skin looks TOMORROW!

*As your BeautiControl Consultant, I want to make skin care easy for you. Please allow me the time to sit down with you and customize your individual skin care regime. I hope this Skin Care Club will answer all your skin care needs and also make it much more affordable!*

*I have been personally using the BeautiControl M.R.P. Products and LOVE what they have done for my skin! I know you will love the results, too!*
